Commonwealth Fencing Championships 2022

SENIOR RANKING LISTS – DECEMBER 2021
(corrected, 30 December 2021)

These lists include current members of Scottish Fencing (ie those with valid memberships who have identified their nation as Scotland in their BF record) except those who have identified their nationality as other than British.

These lists **may** include fencers who are **not eligible** to be selected for Scotland because they do not hold a UK passport: it is a requirement of the Commonwealth Fencing Federation rules that Home Nations competitors hold a UK passport. The lists may also include fencers who do not wish to fence for Scotland.

If you fall into either of these two categories please notify Paul Vaughan, *performance@scottish-fencing.com*, so we can remove your name. If you think you should be on the list, or that there are any errors, please also notify us.

The points totals are the **best three results** achieved since 1 September, taken from the BF Ranking lists published **at the beginning of December**. The Results columns gives the total number of scoring results recorded on the BF tables.

The lists will be updated as soon as possible after the BF lists are updated.
