#### **Supporting statement**

I have dedicated the last eight years to actively supporting my son, Joshua, in his fencing journey. Throughout this time, I have traveled with him to competitions in the UK, Europe, and Saudi Arabia, and I find the sport to be both enjoyable and fulfilling.

After finishing school, I worked on our family farm and later took charge of our frozen food distribution business, while also participating in various other family ventures.

In 1985, Moncreiffe Care Home was founded, and I held the position of Managing Director from 2008 until 2021. Between 1990 and 2010, I expanded my business interests by opening several licensed establishments and developing a varied property portfolio, which includes development land as well as residential and commercial properties.

I am happily married and have four children and three grandchildren. I believe I have a lot to offer to Scottish Fencing, and I am eager to contribute to its growth. The sport has enriched my life over the past few years, and with my strong business background, I am confident I can make a positive impact.
